**COVENANTS, CONDITIONS, AND RESTRICTIONS ON THE USE,

NOW, THEREFORE, Owner, in consideration of the Agency's entering into the Agreement, hereby agrees, covenants and declares that the Site shall be owned, used, maintained, and any transfer of an interest in the Site, shall be subject to the following Covenants of this Declaration:

1. **Covenants Run With the Land.** The Covenants set forth herein shall run with title to the Site and shall be binding upon the Owner. The Covenants may be enforced by the Agency or any successor or assign of the Agency. The Owner shall not challenge the Covenants as set forth in this Declaration or any right of the Agency created under this Declaration or the Agreement. 2.1 **Use of the Premises.** That portion of the Site defined as the Premises in the Agreement shall only be used as professional office uses and related purposes. 2.2.3. **General Maintenance.** Owner shall develop and regularly maintain the Site appropriate to the permitted use and acceptable to the Agency in its sole discretion.

2.2.4. **Landscaping.** The following conditions shall be deemed unsightly and subject to abatement provisions of the City's Property Maintenance Program:

(b) Broken windows, damaged woodwork, damaged stucco or other wall coverings, including but not limited to, damaged tile, brick or stonework, such that the damage is plainly visible from the centerline of the street.

(c) Damaged doors, windows, screens, roofs, rooftop appurtenances or architectural treatments.

(e) Modifications of, or lack of maintenance of roofing, such that the failure to repair could cause damage to other portions and material in the structure and/or such that the appearance results in a noticeable diminution in appearance of the Site.

2.2.6. **Supplemental Elements.** The following conditions shall be deemed unsightly and subject to abatement provisions of the City's Property Maintenance Program:

(a) Cracked sidewalks and driveways.

(b) Those fences that are not structurally intact, aesthetically and architecturally compatible with the overall character of the neighborhood, or in conformance with any applicable law or regulation of the City of Riverside.

(c) Irrigation systems or equipment in poor repair or in disrepair, when such disrepair is visible from the centerline of the street.

3. **Rights of Holder.** The provisions of this Declaration do not limit the right of any mortgagee, or beneficiary under a deed of trust which secures construction or permanent financing, to foreclose or otherwise enforce any mortgage, deed of trust or other encumbrance upon the Site or any portion thereof, or the right of any mortgagee, or beneficiary under a deed of trust, to exercise any of its remedies for the enforcement of any pledge or lien upon the Site; provided, however that in the event of any foreclosure under any such mortgage, deed of trust or other lien or encumbrance, or a sale pursuant to any power of sale included in any such mortgage or deed of trust, the purchaser or purchasers and their successors and assigns and the Site shall be and shall continue to be subject to all of the provisions and conditions contained herein.

4. **Notice of Transfer.** Prior to selling, conveying or otherwise transferring any interest in the Site, the Owner shall deliver a written notice to the Agency setting forth the name, address and phone number of the transferee, and the type of transfer (*i.e.*, sale, lease, mortgage, deed of trust, foreclosure). The notice shall be sent by certified mail, return receipt requested to the Agency at the address set forth below:

5.3.3. **In Contracts:** “There shall be no discrimination against or segregation of, any person or group or persons on account of race, color, creed, religion, sex, marital status, ancestry, national origin, familial status, physical disability, mental disability, or medical condition (including, but not limited to, Acquired Immune Deficiency Syndrome (AIDS), the Humane Immune Deficiency Virus (HIV), or condition related thereto) in the rental, sale, lease, sublease, transfer, use, occupancy, tenure of the land or premises affected by this instrument, nor shall the contracting or subcontracting party or parties, or other transferees under this instrument or any person claiming under or through it, violated the applicable anti-discrimination provisions of the Americans with Disabilities Act (42 U.S.C. §12101, *et seq.*), and the California Fair Employment and Housing Act (Cal. This provision shall obligate the contracting and subcontracting party or parties, and other transferees under this instrument or any person claiming under or through it

Upon failure to so pay, Owner shall remove any lien, levy, or attachment made on the Site, or shall provide the Agency with assurance of the satisfaction thereof within a reasonable time, but in any event prior to a tax sale thereunder.

7. **Compliance with Laws.** The Owner shall operate and maintain the Site in conformity with the Redevelopment Plan, Local Regulations, this Declaration, and all applicable state and federal laws including all applicable labor standards, disabled and handicapped access requirements, including, without limitation, the Americans with Disabilities Act, 42 U.S.C. §12101, *et seq.* and the Unruh Civil Rights Act, California Civil Code §51, *et seq.*

8. **Speculation in Land Prohibited.** The Owner shall use, maintain, and transfer the Site in such a manner as to prevent speculation and/or excess profitmaking in the Site within the meaning of California Health and Safety Code §33437.5 as that section exists on the Effective Date of the Agreement or as it may thereafter be amended, repealed and reenacted, or otherwise modified.

9. **Effect and Duration of Covenants.** The Covenants established in this Declaration shall, without regard to technical classification and designation, be binding on the Owner for the benefit and in favor of the Agency, its successors, and its assigns, and these Covenants shall remain in effect until ten (10) years from and after the recording of this Declaration.

10. **Remedies for Breach of Covenants.** The Agency and its successor and assigns, may utilize any or all of the following provisions in the event of a default or breach of this Declaration:

10.1. **Specific Performance.** The use and maintenance of the Site in accordance with this Declaration are of a special and unique kind and character and the rights granted to the Agency, its successors, and its assigns, hereunder are of a similar special and unique kind and character so that if there is a breach by the Owner of any material provision of the Covenants, the Agency, its successors, and its assigns, would not have an adequate remedy at law. Therefore, the Agency's rights, and those of its successors, and its assigns hereunder may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California. In any action seeking enforcement or interpretation of any of the terms or provisions of the Covenants, the prevailing party shall be awarded, in addition to

damages, injunctive relief, or other relief, its reasonable costs and expenses, including, but not limited to, court costs, reasonable attorneys' fees, and reasonable fees of expert witnesses.

10.2. **Legal Actions.** In addition to any other rights and remedies any party may institute a legal action to require the cure of any breach or default and to recover damages for any breach or default, or to obtain any other remedy consistent with the purpose of this Declaration. The following provisions shall apply to any such legal action:

10.2.1. **Jurisdiction and Venue.** Legal actions must be instituted and maintained in the Superior Court of the County of Riverside, State of California, or in the United States District Court for the Central District of California. Owner specifically waives any rights provided to it pursuant to California Code of Civil Procedure §394 or federal or state statutes or judicial decisions of like effect.

10.2.2. **Applicable Law.** The laws of the State of California shall govern the interpretation and enforcement of this Declaration.

10.2.3 **Attorneys Fees.** In the event either party commences an Action (as defined herein) against the other party which arises out of a default of, breach of, failure to perform this Declaration, or otherwise related to this Declaration, then the prevailing party in the Action shall be entitled to recover its Litigation Expenses (as defined herein) from the other party in addition to whatever relief to which the prevailing party may be entitled. For the purposes of this Section, the term "Action" means any law suit, court or administrative proceeding (whether of a legal or equitable nature), arbitration or mediation (whether binding or non-binding), or any other alternative dispute resolution procedure, and the filing, recording, or service of any process, notice, claim, lien, or other instrument which is a prerequisite to commencement of the Action. For the purposes of this Section, the term "Litigation Expenses" means all costs and expenses, to the extent such are reasonable in amount, that are actually and necessarily incurred in good faith by the prevailing party directly related to the Action, including, but not limited to, court costs, filing, recording, and service fees, copying costs, exhibit production costs, special media rental costs, attorneys' fees, consultant fees, fees for investigators, witness fees (both lay and expert), travel expenses, deposition and transcript costs, and any other cost or expense reasonably and necessarily incurred by the prevailing party in good faith and directly related to the Action.

10.3. **No Liability for Non-Enforcement of Covenants.** The Agency, its successors, or its assigns has the right, but not the duty, to enforce the provisions of these Covenants. However, the Agency, its successors, or its assigns shall have no obligation to enforce these Covenants and shall have no liability for not enforcing the same.

10.4. **Rights and Remedies are Cumulative.** The rights and remedies of the Agency regarding enforcement of the Covenants are cumulative, and the exercise by the Agency

C/A 924

of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different time, of any other rights or remedies for the same default or any other default by the Owner.

11. **Recitals.** The Recitals set forth at the beginning of this Declaration are a substantive and integral part of this Declaration and are incorporated by reference.

12. **Interpretation.** Owner acknowledges that this Declaration is the product of mutual arms-length negotiation and drafting and each represents and warrants to the other that it has been represented by legal counsel in the negotiation and drafting of this Declaration. Accordingly, the rule of construction which provides the ambiguities in a document shall be construed against the drafter of that document, shall have no application to the interpretation and enforcement of this Declaration. In any action or proceeding to interpret or enforce this Declaration, the finder of fact may refer to such extrinsic evidence not in direct conflict with any specific provision of this Declaration to determine and give effect to the intention of the parties hereto.

13. **Severability.** Each provision, term, condition, covenant, and/or restriction, in whole and in part, in this Declaration shall be considered severable. In the event any provision, term, condition, covenant, and/or restriction, in whole and/or in part, in this Declaration is declared invalid, unconstitutional, or void for any reason, such provision or part thereof shall be severed from this Declaration and shall not affect any other provision, term, condition, covenant, and/or restriction, of this Declaration and the remainder of the Declaration shall continue in full force and effect.

14. **Amendments to Declaration.** Any modification, change, or amendment to this Declaration must be in writing and signed by the appropriate authorities of the Agency and Owner and thereafter appropriately recorded in the Official Records of the County of Riverside, State of California.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Owner has executed this Declaration which shall be effective as of the date of recordation hereof in the Official Records of the County of Riverside, State of California.
