

91969

over and along said real property, and to deposit tools, implements and other material thereon by said party of the second part, its officers, agents and employees and by persons under contract with it and their officers, agents and employees, whenever and wherever necessary for the purpose of constructing, reconstructing, maintaining, operating, inspecting, repairing, replacing, and removing said electrical transmission line and related facilities

Provided, however, that the grantors reserve the right to use and enjoy the land over which said easement and right of way is granted, for any purpose and in any manner which does not interfere with or impair the right of the grantee to use the said easement and right of way.

APPROVED AS TO DESCRIPTION

David Mains
In GEN. SUPT. & CHIEF ENGINEER
8-18-67

IN WITNESS WHEREOF the said parties of the first part have hereunto executed the within instrument the day and year first above written.
