

3. Permittee acknowledges that the described property is the site of a proposed or planned public improvement and that, accordingly, all rights and privileges of use permitted shall cease and expire upon notice of revocation by the City. Upon the expiration or revocation, Permittee shall within the time prescribed by the City, remove all improvements or obstructions placed, constructed or maintained by the Permittee. If the Permittee fails to abide by the removal order of the City within the time prescribed the City shall have the right to remove and destroy the improvements without reimbursement to the Permittee and the cost of such removal shall be paid by the Permittee to the City of Riverside and shall constitute a debt owed to the City of Riverside.

4. Permittee, by acceptance hereof, waives the right of claim, loss, damage or action against the City of Riverside arising out of or resulting from revocation, termination, removal of the improvements or any action of the City of Riverside, its officers, agents or employees taken in accordance with the terms hereof.

5. Finding and determination by the City Council of the City of Riverside that the Permittee, or his heirs and assigns or successors in interest, are in default of the terms hereunder shall be cause for revocation.

Note:  
 1. If the drainage on Canyon  
 Street is not adequate  
 for the proposed drainage  
 system, a larger diameter pipe  
 or a larger pipe material  
 should be used. The  
 size of the pipe should be  
 determined by the  
 design engineer.
