

RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT

ENCROACHMENT PERMIT

Riverside, California

City of Riverside
P. O. Box 826
Riverside, California

1 August, 19 73

In compliance with your request of 24 July, 19 73
and subject to all the terms, conditions and restrictions written below or printed as general or special provisions on any part of this form

PERMISSION IS HEREBY GRANTED TO **CITY OF RIVERSIDE** to plant trees, shrubs and evergreen cover and install an irrigation system on District R/W adjacent to the La Colina Electric Sub-station (Sycamore Dam Reservoir). The City of Riverside shall assume all responsibility and liability for the installation and maintenance of said plants and irrigation system.

It should be noted that the District's interest in the land is a flooding easement only, and it may be necessary to secure the permission of the fee Owner before performing the above described work.

This permit is to be strictly construed and no work other than that specifically mentioned above is authorized hereby. Performance of the work shall be deemed to be acceptance by the Permittee of all terms and conditions of this permit.

This permit shall be void unless work herein contemplated shall have been completed before 1 October, 19 73.
