

- GENERAL NOTES**
1. Construction shall be in accordance with the City of Riverside Dept. of Public Works Standard Drawings and the Standard Specifications for Public Works Construction 1982 Edition.
  2. All flagged elevations shall be staked in the field by the private engineer.
  3. The private engineer signing these plans is responsible for assuring the accuracy and acceptability of the work hereon. In the event of discrepancies arising during construction as a result of errors or omissions, the private engineer shall be responsible for determining an acceptable solution and revising the plans for approval by the City.
  4. It shall be the responsibility of the contractor to clear the right of way in accordance with the provisions of law as it affects each utility including irrigation lines and appurtenances and at no cost to the City.
